**January 15, 2010**

My deepest condolences. May these few words from the Holy Scriptures bring you comfort in your time of grief...

**John 11:32-45**

*32 And so Mary, when she arrived where Jesus was and caught sight of him, fell at his feet, saying to him: "Lord, if you had been here, my brother would not have died." 33 Jesus, therefore, when he saw her weeping and the Jews that came with her weeping, groaned in the spirit and became troubled; 34 and he said: "Where have YOU laid him?" They said to him: "Lord, come and see." 35 Jesus gave way to tears. 36 Therefore the Jews began to say: "See, what affection he used to have for him!" 37 But some of them said: "Was not this [man] that opened the eyes of the blind man able to prevent this one from dying?"*

*38 Hence Jesus, after groaning again within himself, came to the memorial tomb. It was, in fact, a cave, and a stone was lying against it. 39 Jesus said: "TAKE the stone away." Martha, the sister of the deceased, said to him: "Lord, by now he must smell, for it is four days." 40 Jesus said to her: "Did I not tell you that if you would believe you would see the glory of God?" 41 Therefore they took the stone away. Now Jesus raised his eyes heavenward and said:*

*“Father, I thank you that you have heard me. 42 True, I knew that you always hear me; but on account of the crowd standing around I spoke, in order that they might believe that you sent me forth.” 43 And when he had said these things, he cried out with a loud voice: “Laz´arus, come on out!” 44 The [man] that had been dead came out with his feet and hands bound with wrappings, and his countenance was bound about with a cloth. Jesus said to them: “Loose him and let him go.”*

*45 Therefore many of the Jews that had come to Mary and that beheld what he did put faith in him;*

Christina,

Memories, where do i start? we have so many.

If im to start with the first that comes to mind would be when i was workin at speedway and you came in on your way to work an told me you were pregnant, and you radiated happiness, an i told you "that sucks".. lol.. being smart.. you were a wonderul mother christina. The sacrifices you made for you child, words cannot describe the love you had for him. I believe in my heart he will have that for the rest of your life.

i see pictures of him and he is getting so big. you would be so proud.

each day i feel like something is missing, my life isnt the same without you. i miss talking to you, i miss everything about our friendship.

we always went out to dinner for one anothers birthdays. this year i spent mine alone.

You were the greatest friend a gal could have asked for.

you will always be prestons god mother, and i see to it he knows who you are.

I still cant believe your gone.

Heaven has recieved another wonderful angel,

untill the day we meet again, your in my thoughts.

*08/12/1985 - 07/23/2009*

*A year has passed since you suddenly left us. A year of sadness and pain. A year of wishing we had the chance to bring us all back together again. They say time is a healer. In time the pain becomes easier to bear. But the depth of pain we feel in our hearts is still, and will always be there. You're up in heaven now, up there with your brother, God, and the angels, away from it all. You left us your ray of sunshine. A little one to have and cherish. A beautiful boy called Liam, a spirit so grand. Your face we see in him daily. A reminder of how beautiful you were. His smile, his warmth, his charisma, is everything of you we see in him.*

***Terribly Missed By All,***

You are In My Heart Always and Forever. Not a day goes by that I don't think of you!
